

Career Opportunities in the Marine Industry

FREE WORKSHOP

Thursday, October 3, 2013

6:00 p.m. - 9:00 p.m.

Hollywood Beach Culture
and Community Center

1301 South Ocean Drive

City of
HOLLYWOOD
Marine Advisory
Board

Learn how to navigate a career in the marine industry

- Get information on yacht sales, yacht brokerage, maritime security and marine environmental consulting
- Discover opportunities for vocational training that will help prepare you for employment in the marine industry

Panelists will be available after the workshop to provide assistance and additional information regarding their programs.

Refreshments will be served.

To register to attend this workshop or to obtain additional information, please contact the Department of Parks, Recreation & Cultural Arts at 954.921.3404.
